The Genetic Information Nondiscrimination Act of 2009 (GINA) prohibits employers and other entities covered by GINA Title II from requesting or requiring genetic information of an individual or family member of the individual, except as specifically allowed by this law. To comply with this law, we are asking that you not provide any genetic information when responding to this request for medical information. "Genetic Information", as defined by GINA, includes an individual's family medical history, the results of an individual's or family member's genetic tests, the fact that an individual or an individual's family member sought or received genetic services, and genetic information of a fetus carried by an individual or individual or family member receiving assistive reproductive services.

Contact Information

The disability and need for a reasonable accommodation is obvious and no medical documentation is needed. Explain below.

**For example, if you have requested FMLA leave for the same impairment(s), the Certification of Health Care Provider form for employees of serious health conditions may suffice.

Release of Information: I hereby certify that all statements made above are true and accurate to the best of my knowledge and belief. I hereby authorize the release of the above information to the University of Central Florida for the purpose of determining if I am a qualified individual with a disability and the appropriateness of the requested reasonable accommodation(s). I understand that it will be my responsibility to complete a Medical Release Statement and to furnish a Provider Certification of Disability, if required, to the UCF ONAC for my request to be evaluated. Provider Certification of Disability can be fulfilled through existing medical documentation or the UCF Reasonable Accommodation Medical Certification form. I further authorize the University of Central Florida to seek clarification of this document and the Provider Certification of Disability, if necessary, by contacting my physician(s) or healthcare provider(s).
